## Diary Dates

On April 4th, Archbishop Longley will be visiting the school and the church. That day we will be running both AM and PM sessions from the school hall.

On May 4th, the Church Hall will be hosting the local polling station, again we will be using the school hall or a classroom that day.

Please remember to collect from the school on both days.

## Monthly Invoices

We are constantly striving to streamline our setting. We are currently looking at ways to improve the delivery of the monthly invoices. To that end we would like to move to a completely electronic method of delivery. If you have regular access to email and would like your invoice delivered this way, please email us at [wiseowlsclub@hotmail.co.uk](mailto:wiseowlsclub@hotmail.co.uk)

Our beautiful display board is coming along just nicely.

## Chinese New Year

We celebrated Chinese New Year through craft and snack time.

## Courses

We have been busy during the last month booking our staff onto training courses including Prevent Duty and Food Hygiene.

## Coming Soon!

Our garden centre with real soil, bulbs and pots.
