EYFS 2017

With the new *Statutory Framework for the Early Years Foundation Stage 2017* (EYFS 2017) coming into effect on 3 April 2017, it is important that you are aware of any necessary changes to the setting, which includes changes to policies; including the requirement for all staff to be Paediatric First Aid Trained (all Wise Owls Staff are already trained) and attend Female genital Mutilation (FGM) awareness Training. The changes are relatively small, but to save you from trawling through the *Statutory Framework* line by line to find them, they are available to view in a **Key Changes Guide**. This is available in the club for all to see and includes all the significant changes that are relevant to all out of school clubs. Please ask myself or a member of staff should you wish to view it.

Polite Reminder

No mobile phones or cameras are to be used on the premises while a session is in progress.
