## WISE OWLS CARE CLUB

### Settling in Survey

All our new children that have joined us over the last term will receive a Settling in Survey to complete. Please complete this and hand it back into the club. Anything you feel you don't understand or your child needs more help with, please do not hesitate to inform us.

### Spotting Sepsis

Sepsis is a potentially life-threatening blood condition that is triggered by an infection or injury and can develop alarmingly quickly, if you would like to know more, a leaflet commissioned by the NHS is available to read in the club. Please ask a member of staff for further details.

Q: Why did the boy take a ladder to school ?

A: Because he thought it was a high school.

Q: How do oceans say hello to each other?

A: They wave !

### Craft

Amazing craft by our fabulous children.

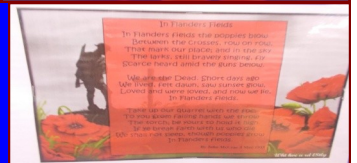

### New Activity

We now have table tennis available in the club.

### Lest We Forget

Don't forget Remembrance Sunday this weekend!

### Collection

On the 9th November, at 6pm, LinkLine will be using the Church Hall. Please could I kindly ask you to be prompt when collecting your child(ren). Many Thanks!

### Polite Reminder

No mobile phones with camera's are to be used in the club. Thank you!
