Safer Internet Day

Safer Internet Day 2018 will take place on Tuesday 6th February with the theme 'Create, Connect and Share Respect: a better internet starts with you'. Coordinated in the UK by the UK Safer Internet Centre, the celebration sees hundreds of schools and organisations join together to raise awareness of online safety issues and run events and activities right across the UK. For more information visit: <https://www.saferinternet.org.uk/safer-internet-day/2018>

Lock-Down Policy

In accordance with Ofsted guidelines we are in the process of creating a sensitive Lock-Down procedure and guidance policy. The policy is currently being established in schools and childcare settings across the country, it is designed as a method to lead the children to a place of safety should it become necessary. We are under remit to practice the procedure as we would any other type of drill. The procedure will be introduced and rehearsed with the same frequency as the current fire drill. The policy will soon be available for all to view, please ask a member of staff should you wish to view it.
