## BOOKING FORMS

Booking Forms for this term and post Easter Holidays are now available to download from our website ([www.wiseowlsclub.co.uk](http://www.wiseowlsclub.co.uk)). Hard copies are also available in the setting and school reception area. In order to avoid disappointment, please ensure completed booking forms are returned to us as soon as possible.

## LOCK DOWN POLICY

In accordance with government guidelines, we now have a Lock-Down/Critical Incident Policy to further supplement the strict safeguarding culture we promote. This policy is designed for staff to be able to take immediate action should any given situation dictate whilst simultaneously ensuring the children are kept safe, but done in such a way as not to alarm them. The drill will be practised on a regular basis along the same lines and frequency as the current fire drill.
