NEWSLETTER—MAR 15

Half Term

The Half Term was a wonderful success where the children enjoyed a number of activities. The club was filled with smiles and laughter.

Mardi Gras

Booking Forms

Please could all parents/carers ensure their booking form is filled out and handed into the staff before the start of the term. It is really important as we need to ensure ratios are correct and above all there is no confusion on collection at the school.

Garden Centre

How lovely it is to see the children enjoying the new role play area.

Coming Soon!

Is our very own bush craft with Mr Mogg. The children will be able to learn to cook survival food, build a basha with a poncho for shelter and much more!

Polite Reminder

Please could all outstanding bills be cleared by the end of March.

Thank you
