### Wise Owls Website

We now have our very own website, full of useful information including registration, booking forms, Holiday Programmes and information on all the major Childcare Voucher providers. You can even register to have information/updates sent directly to your email inbox. Please have a look around and feel free to leave comments on the blog page. The address is: [www.wiseowlscareclub.co.uk](http://www.wiseowlscareclub.co.uk).

### SEND Equipment

We have purchased a selection of SEND equipment from a SEND specific supplier. It will be made available in the setting from 2nd Nov 15. Although the equipment is primarily aimed at children who may have specific needs it can be used by all children that attend Wise Owls. This is an area we are focussing on developing further in the near future to ensure that all children are given the opportunity to realise their full potential.
