WISE OWLS CARE CLUB

Questionnaire

We have had some fantastic feedback from our wonderful parents/children:

Requests for the Survival Day, this will be planned again for the Summer holidays.

Statements have already started to go out to people who require them.

Majority of parents do not mind the additional costs for outings and travel.

Staff are 100% professional when delivering information.

Majority of children love coming to our club. We have observed as a club and implemented new ideas/activities for children from years 5 and 6, such as baking, construction, word games and Anime drawing.

Holiday Programme

Don't miss out! Our fun packed holiday programme is available to download from our website, or just pop in the club and pick up a copy.

Coming Soon!

Because our Garden Centre was such a hit with the children last year, we are bringing it back! The children will get to plant bulbs with real plant pots and soil, they will learn about flowers and growing plants and vegetables. Perfect for Spring!

VOTE!

After voting our club rules in we then articulated them through craft.
