NEWSLETTER APR 16

Booking Forms

All booking forms for the term ahead must be completed and handed to a member of staff at Wise Owls, before the start of the term.

Daffodils the children have grown.

Information for Parents about Social Networks

The NSPCC has a very useful website with information about the various different social networks that children may be using, such as Snapchat, Instagram, Club Penguin, Minecraft, etc. Aimed at parents and carers, the NetAware website explains how the different social networks work, evaluates their risk level for children of different ages, and describes how to set privacy settings and report abuse. NetAware is invaluable for any parent who wants to understand more about their child's activities online.

Community Display

Our display board is going to showcase a community theme. The children will learn through craft about the good and invaluable work people in our community do. Our topic is going to be the North Staffs [LinkLine](#), which I am sure you will all be aware of. It will demonstrate what they do and how it serves to benefit people within our Community.

The Rule of Law

This month we will be learning through play and craft about The Rule of Law.

Thank you to the families that have donated such wonderful toys and books to Wise Owls. The children love them.

Welcome back! We do hope you have enjoyed the Easter break.

Staff News

Well done to **Stacey**, **Sarah** and **Kay**, collectively they have successfully completed their First Aid, PREVENT Duty trg, Safeguarding and Food Hygiene, all in one month.

I, (**Lisa**) have attended a Behaviour Management Course last month and have also completed a Special Educational Needs Course (SEN) Advanced Level 4. This month I will be attending a Safeguarding Level 2 course.

Real tools!!
